To look after our

# Church Yard

We urgently need the help of volunteers  
to look after the grounds of our historic Church.

*It is much more than a church garden. It is a burial ground, but also a place of quiet reflection and recreation, an ancient habitat for plants and animals, and the setting of the historic 13th Century church building.*

Will you be able to help in Lawn-mowing, hedge-cutting, planing and looking after the flowers, “adopt” a grave or a patch, donate garden equipment?

Please contact the Vicar if you could help
